

# UI Health-UHP is thrilled to announce the **Mini Health Professions Program**

**Come explore the wonders of health careers  
and learn about the health sciences with us!**

Students will learn about 7 body systems and public health, conduct experiments and dissections, meet different health professionals, and enhance their critical thinking skills.

**Who is eligible?** ALL 4th & 5th graders in the UIC neighborhood, the West & South sides, as well as CPS students

**Where?** UIC College of Dentistry, 801 S Paulina St

**When?** Two Saturdays per month from Jan 2024- April 2024, 8:30am - 1:30pm. Breakfast and lunch provided.
